

BUSINESS SOLUTIONS

LIVE TOUR

Come hear how the latest versions of our business software can help you get down to business.

Trinidad & Tobago

Thursday Nov 4, 2004
Crown Plaza, San Fernando Room
8:00 - 11:45 AM

You're invited to participate in an event unveiling the latest versions of Microsoft Business Solutions software:

Great Plains 8.0

Enterprise Resource Planning (ERP)

This is your exclusive opportunity to experience firsthand just how accessible business applications can be when they look and feel like those you're already using. Find out how to take advantage of Microsoft Business Solutions, designed to give you integrated solutions and lasting success.

Hear how the latest business solutions from Microsoft can help you:

- Improve employee productivity through tighter integration with Microsoft® Office and Windows®
- Streamline core business operations with deeper and richer manufacturing, distribution, accounting, and project management functionality
- Provide real-time access to information and reporting
- Consolidate multiple systems and connect departments
